

An Association for *Everyone* on the Road

JOIN US!

We have benefits for both Individual and Corporate members.

Benefits of Membership

YOUR OPPORTUNITY TO MEET others involved in the effort to keep New Hampshire roads safe. Our membership includes leading engineers, contractors and suppliers, as well as many business and industrial firms active in numerous and diverse areas of the New Hampshire and regional economy.

YOUR CHANCE TO MAKE A DIFFERENCE As a member of the New Hampshire Good Roads Association, you have the power and networking tools to impact the policies and programs that affect the maintenance, safety and construction of the roads you travel every day.

FUN! Part of our mission is to create opportunities for our members to meet in an informal setting and to continually promote the goals of the Association through our membership network. Our annual Equipment Showcase Open – Golf Tournament & Equipment Showcase, held in July, regularly brings many of our members and friends together for a day of casual business networking and fun.

NEW HAMPSHIRE HIGHWAYS is our comprehensive quarterly publication about goings-on around the state, region, and country. As a member you will receive each information packed issue.

In addition, corporate members receive a **free** listing in each issue and on our website.

SCHOLARSHIPS

Each year, the New Hampshire Good Roads Association sponsors the following scholarships:

- [Roger F. Provost Scholarship](#)
- [NHGRA Construction Scholarship](#)
- [William H. Weaver Scholarship](#)

The above scholarships are awarded to students pursuing post secondary education in construction trades or engineering and leading to a career in the transportation construction industry.

Visit nhgoodroads.org to download current scholarship applications. Contact the University of New Hampshire | 603. 862.1781 for William H. Weaver Scholarship details.

LEGISLATIVE

The Association continually monitors state and federal legislation – evaluating its impact on our state’s highway transportation system and making appropriate recommendations within the scope of our mission statement.
