New Hampshire Good Roads Construction Scholarship

2026 APPLICATION

Application No. _____

New Hampshire Good Roads Construction Scholarship

NHGRA is a member organization representing contractors, consultants and other businesses and individuals whose mission is to encourage the development of a safe, efficient and environmentally sound highway transportation system in New Hampshire. The NHGRA Construction Scholarship, established in 2007, is awarded annually to a student(s) meeting the requirements set forth in scholarship eligibility below. The amount and number of scholarships awarded may vary each year.

Criteria: Transportation Construction Focus

This scholarship will be awarded to applicants who demonstrate a clear commitment to applying their studies toward a career in the transportation construction industry. Eligible fields include, but are not limited to, highway and bridge construction, civil engineering, public works, environmental consulting, and skilled trades such as diesel mechanics, welding, heavy equipment operation, and surveying.

Scholarship Eligibility

Eligible applicants are limited to the following:

- 1.) Individual members of the New Hampshire Good Roads Association.
- 2.) Individuals with an ownership interest in a New Hampshire Good Roads Association corporate membership.
- 3.) The dependent children of the individuals referenced in 1 and 2 above, pursuing a post-secondary course of study related to the construction industry. It will be within the sole discretion of the governing body of the NHGRA Board of Directors to determine whether the applicants course of study is sufficiently related to this field to qualify for consideration.
